Gottula and partner Joyce Rey work some of the highest-ticket properties in the city. They sold the Samuel Goldwyn Estate for \$25 million, and Gottula reps the Palazzo di Amore estate, listed at \$149 million. "Most consumers believe that the luxury real estate market is controlled by foreign buyers; in fact, 70% of the properties sold in 2015 in excess of \$20 million were sold to Americans," she says.
